

314 NOTE PERTAINING TO INTELLECTUAL RESPONSIBILITY

This field contains a note relating to the intellectual responsibility of the work.

Subfields & repeatability

FIELD/SUBFIELD			REPEATABILITY
314		Note pertaining to intellectual responsibility	r
	a	<i>Text of note</i>	nr

Indicators

Indicator values are not defined.

SUBFIELDS

314a Text of note

Note relating to the intellectual responsibility of the item other than a note on the statement of responsibility which is entered in field 300.

NOTES ON FIELD CONTENTS

A field contains notes relating to the intellectual responsibility (persons or corporate bodies) which may not have been recorded elsewhere in the record. If more than one note is to be recorded, each is entered in a repeated field 314.

RELATED FIELDS

300 *GENERAL NOTE*

Any note relating to the statement of responsibility should be entered in field 300 rather than in field 314.

338 *FUNDING INFORMATION NOTE*

This field is used for entering information about the contract, grant and project when the work results from a funded project.

7XX *INTELLECTUAL RESPONSIBILITY BLOCK*

Any note relating to the intellectual responsibility from field 314 is also entered in block 7XX.
