

## 715 AUTHORIZED ACCESS POINT IN OTHER LANGUAGE AND/OR SCRIPT – TERRITORIAL OR GEOGRAPHICAL NAME

This field contains a territorial or geographical name authorized access point that is in another language and/or script form of the access point in field 215.

Territorial names alone or only with subject subdivisions as additions, which are used as subject access points, are considered territorial names (field 715). Territorial names alone, which are used as author access points, are considered corporate body names (field 710). Territorial names, which are followed by a corporate body subdivision and which are used as author access points or as subject access points, are also considered corporate body names.
